Jieshan Qiu

Cheung Kong Distinguished Professor, Environmental and Biological Science and Technology
Director of the Institute of Energy Science and Technology
Dean for Research and International Collaboration
Associate Dean for the DUT faculty of Chemical and Environmental Technology

Email: jqiu@dlut.edu.cn

Research Areas:

- High Performance Carbon Adsorbents - preparation and applications
- Adsorption Separation Technology and Surface Science
- Functional Carbon Materials for Energy Storage
- Carbon Nano- and Micro-materials - preparation, characterization and applications
- Carbon-based novel catalysts and catalysis reactions
- Plasma chemistry and chemical engineering
- Novel Nanomaterials from Biomaterials
