University Coalition for Fossil Energy Research

University Coalition for Fossil Energy Research (UCFER) Membership Application Form

University Name & Address

University Contact Person

Telephone Number

Fax Number

Email Address

Please provide the following with the Membership Application form:

- Proof of University Accreditation
- Names of potential faculty researchers, their areas of expertise, and how their expertise aligns with U.S. Department of Energy, National Energy Technology Laboratory core competency areas:
 1. Geological and Environmental Systems
 2. Materials Engineering and Manufacturing
 3. Energy Conversion Engineering
 4. Systems Engineering and Analysis
 5. Computational Science and Engineering
- Brief resumes of key faculty researchers (up to 2 pages per researcher) including a brief list of relevant publications
- Listing of representative research projects in the past 3 to 5 years that illustrates expertise in fossil energy research

Please email Application Form and supporting documentation to:

Dr. Chunshan Song, UCFER Director
EMS Energy Institute
The Pennsylvania State University
C-211 Coal Utilization Laboratory
University Park, PA 16802-2323
E-mail: ucfer-director@ems.psu.edu
